**Fecal Parasite Test Form**

Please follow the steps below to submit a fecal sample:

1. Print out form (one form per animal.)
2. Complete all required information
3. Bring completed form along with one fecal sample to our office. Fecals must be dropped off during business hours (sample should be no more than 12 hours old at time of collection and may be refrigerated up to 48 hours.)
4. Fecal Tests are \$20.00 per animal.
5. The results will be delivered directly to your veterinarian, who will contact you to discuss an appropriate de-worming strategy.
6. Please allow 48-72 hours for results.

**To determine efficacy of a de-wormer**

Fecal tests should be performed 10 to 14 days post de-worming
